This **CONSTRUCTION PROJECTS AGREEMENT** ("Agreement") is made and entered into on _____ ("Effective Date"), by and between the **CITY OF BAKERSFIELD**, a municipal corporation ("CITY"), and **JAMES E. THOMPSON, INC., DBA JTS CONSTRUCTION**, (a California Corporation), ("CONTRACTOR").

1.2. If CITY is receiving federal-aid for the construction of all or a portion of the Project, CONTRACTOR must physically incorporate all federally required contract provisions, including Form FHWA-1273, in their various subcontracts and purchase orders for the federally funded portions of this Project. CONTRACTOR acknowledges that failure to incorporate Form FHWA-1273 into those subcontracts and purchase orders will jeopardize CITY's eligibility for federal-aid funding. In the event of noncompliance in regards to this requirement, CONTRACTOR will be required to correct the noncompliance. CITY will withhold payment for subcontracted work involved with the noncompliance from progress payments due, or to become due, until correction is made. Failure to comply may result in termination of this Agreement.

2. COMPENSATION/PAYMENT PROCEDURE.

2.1. Subject to the conditions of this section, CITY will pay CONTRACTOR for performing the Scope of Work as defined in the Bid Proposal and in accordance with the Special Provisions applicable to this Project, in an amount not to exceed **Two Hundred Sixty Seven Thousand, Five Hundred Dollars and Zero Cents (\$267,500.00)** ("Compensation"). The Compensation shall be the total compensation under this Agreement including, but not limited to, all out-of-pocket costs and taxes. CITY will pay no other compensation to CONTRACTOR.

2.2. For projects falling under Title 49 Code of Federal Regulations (CFR) Part 26.29, CITY shall not require the withholding of any retention from CONTRACTOR. CONTRACTOR agrees that it will not cause retention

to be withheld from subcontractors working under this Agreement which are subject to the provisions of 49 CFR Part 26.29. For projects, or any severable parts of a project under Federal law, which do not fall under 49 CFR Part 26.29, CITY shall retain ten percent from payments to CONTRACTOR, unless otherwise prohibited by law.

3. **SCHEDULING.** When required by CITY in contract bid documents, or upon reasonable notice, CONTRACTOR shall supply CITY with scheduling documents showing all information in a form requested by CITY. CONTRACTOR's scheduling personnel shall have experience in and be knowledgeable in scheduling. CITY may require CONTRACTOR to supply the schedule on programs named by CITY (Microsoft Project, for example), and may require those schedules to be undated or revised on a regular basis. CITY may require recovery schedules if CONTRACTOR falls behind the Project schedule. CITY's review or comment on the schedule shall not constitute acceptance thereof.
4. **STARTING WORK.** CONTRACTOR shall not begin work until authorized to do so in writing by CITY. No work will be authorized before the Effective Date.
5. **TERMINATION.**
 - 5.1. This Agreement may be terminated as set forth in the Special Provisions for this Project. If no termination clauses are included in the Special Provisions, this Agreement may be terminated for CONTRACTOR default. The following circumstances shall be deemed a CONTRACTOR default:
 - 5.1.1. A material breach of the contract where CONTRACTOR fails to cure the breach within ten days after CITY provides notice of the breach; provided, however, if the breach cannot reasonably be cured within ten days, CONTRACTOR must have taken significant steps to cure the breach including, without limitation, providing a written plan acceptable to CITY to cure the default and immediately beginning to cure the default;
 - 5.1.2. CONTRACTOR's violation of any law, statute, regulation, rule, ordinance, permit or order of any governmental agency applicable to the Project if CONTRACTOR does not cure the violation within ten days after CITY provides notice of the violation and demands a cure;

- 5.1.4. CONTRACTOR fails to adequately respond in writing to CITY's written demand for adequate assurances within ten days with all necessary information to assure CITY that CONTRACTOR has the financial and other necessary resources to perform the contract without breach. CONTRACTOR's failure to provide all information requested by CITY will be a material breach of this Agreement.
- 5.2. In the event of termination by CITY as set forth above, CONTRACTOR shall remain fully liable for any work not completed, liquidated damages (as set forth in the Special Provisions), delays by follow up contractors, materials and equipment provided, designs commenced through the date of termination, and consequential damages. CONTRACTOR will immediately deliver to CITY possession of the work including all designs, engineering, project records, cost data, drawing specifications and contracts, and construction supplies and aids dedicated solely to performing the work. CONTRACTOR shall assign all subcontracts to CITY; however, CITY may accept or reject those subcontracts at its sole discretion.
- 5.3. Should CITY's termination for cause be determined by a court of law to be wrongful or without cause, such termination will be treated as a termination for convenience entitling CONTRACTOR to an equitable settlement for claims and liabilities outstanding at the date of termination and reasonable compensation for work actually performed to the date of termination. No other Compensation shall be due CONTRACTOR for termination for convenience.
6. **COMPLIANCE WITH ALL LAWS.** CONTRACTOR shall, at CONTRACTOR's sole cost, comply with all of the requirements of Municipal, State, and Federal authorities now in force, or which may hereafter be in force, pertaining to this Agreement, and shall faithfully observe in all activities relating to or growing out of this Agreement all Municipal ordinances and State and Federal statutes, rules or regulations, and permitting requirements now in force or which may hereafter be in force including, without limitation, obtaining a City of Bakersfield business tax certificate (Bakersfield Municipal Code Chapter 5.02) where required.

10. **LICENSES.** CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits and approvals which are legally required for CONTRACTOR to practice its profession and perform the Scope of Work. If CONTRACTOR is a corporation, at least one officer or key employee shall hold the required licenses or professional degrees. If CONTRACTOR is a partnership, at least one partner shall hold the required licenses or professional degrees.
11. **STANDARD OF PERFORMANCE.** The Scope of Work shall be performed in conformity with all legal requirements and industry standards observed by a specialist of CONTRACTOR's profession in California.
12. **SB 854 COMPLIANCE.** To the extent Labor Code Section 1771.1 applies to this Agreement, a contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, be subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of Labor Code Section 1771.1 for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
