## PUBLIC WORKS DEPARTMENT MEMORANDUM

**TO:** Honorable Mayor And Councilmembers  
**FROM:** Nick Fidler, Public Works Director   
**DATE:** February 3, 2021  
**SUBJECT:** AGENDA ITEM FOR COUNCIL MEETING OF February 3, 2021 – Hearings 10.a.

Public Hearing to consider a resolution ordering the vacation of portions of several streets in the Westpark neighborhood that are now rendered inoperable by the construction of the Centennial Corridor freeway. (Ward 2)

---

Staff requests that this item be pulled from the agenda because staff identified an issue with construction access and sequencing if the vacation of a couple of the streets occurs at this time. Staff will move forward with the public noticing and public hearing at a future City Council meeting.
