Subject: City council comments - budget investments in bike trails
Date: Wednesday, June 16, 2021 9:36:15 AM

Warning: This email originated from outside the City of Bakersfield. Think before you click!

Our business would like to make a comment on the budget. More investments are needed in bikes and trails for the city. We support the Kern Tax bike and trails plan that has been approved by KernCOG and urge the city council to fund this as part of Measure N and the current budget.
