WHEREAS, APPLICANT has the financial capacity to complete, operate and maintain the PROJECTS at the current year cost estimates; and

WHEREAS, APPLICANT will ensure that funds required from other sources will be reasonably expected to be available in the time frame needed to carry out the PROJECTS; and

WHEREAS, APPLICANT is authorized to execute and file an application for funding the PROJECTS under the CMAQ Program; and

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Bakersfield as follows:

1. APPLICANT will provide \$2,780,351 in Fiscal Year 2024-2025 and \$4,525,012 in Fiscal Year 2025-2026 for a total of \$7,305,363 in local matching funds.
2. APPLICANT understands that the CMAQ funding for the PROJECTS is fixed at the approved programmed amount, and that any reasonable cost increases must be funded by the APPLICANT from other funds, and that APPLICANT does not expect any cost increases to be funded with additional Federal Funding.
3. APPLICANT and Kern COG understand that the construction price index has been subject to unprecedented increases and that continued increases may cause APPLICANT and Kern COG to adjust the project scopes to reduce cost without impacting the overall CMAQ project goals.
4. Furthermore, APPLICANT and Kern COG understand that programming a project several years in advance can result in changes that require adjustments to a project's funding which may be appropriated to another of the APPLICANT'S projects in the event that sufficient local matching funds cannot be secured for both projects.
5. APPLICANT understands the funding deadlines associated with these funds and will comply with the program implementation procedures described in Chapter 2 of the Kern COG Project Delivery Policies and Procedures manual.
6. PROJECTS will be implemented as described in the complete application and in this resolution and, if approved, for the amount programmed in the Congestion Mitigation and Air Quality Program (herein "CMAQ").
7. APPLICANT and the PROJECTS will comply with the requirements as set forth in the program.
8. APPLICANT authorizes its City Manager, or designee to execute and file an application with Kern COG for CMAQ Funding for the PROJECTS as referenced in this resolution.
